Forecast For Southwest England
Issued by Met Office Exeter
at 0400 on Monday 12 Apr 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Showers at times, wintry for some.

Today:
Cloudy to start with showers spreading from the north during the morning. These wintry towards Bristol and perhaps locally heavy across the region. Some sunny spells will form during the afternoon too. Feeling cold, although more pleasant in any sunshine. Maximum temperature 11 deg C (52 deg F).

Tonight:
Any remaining showers will ease this evening to become largely clear and dry. More patchy cloud will form overnight alongside isolated fog patches. Cold with frost forming under clear skies. Minimum temperature 0 deg C (32 deg F).

Tuesday:
After a cold bright start for many, cloud will increase during the morning bringing scattered showers for the afternoon. These showers could be heavy in places, before skies clear overnight. Maximum temperature 12 deg C (54 deg F).

Outlook for Wednesday to Friday:
Sunshine and isolated showers on Wednesday. Becoming dry with some sunshine on Thursday and Friday. Generally becoming cloudier during the afternoons. Gradually becoming milder, although still rather cold overnight.
